

UTAH VAPOR BAN HAS BEEN PASSED!

THIS NEW LAW GOES INTO EFFECT DEC 31, 2024!

The Utah State Congress has voted. Soon you will no longer be able to buy the products that you love. Only one product has been approved for sale: a tobacco flavored product produced by BIG TOBACCO!

However, with your help, we can take action against this decision and hold our lawmakers accountable. Together, we can fight to protect our freedom of choice and ensure that our voices are heard.

UVBA NEEDS YOUR DONATIONS!

WITH YOUR HELP, WE WILL WIN THIS FIGHT!

Please donate to UVBA as soon as possible. Scan the QR code to do your part in protecting your right to purchase the products that work for you! Any donation will make a difference, so please donate what you can!
